Weddings

Cakes

Prices are the same as our usual cakes, with an additional charge that includes delivery and set up to your venue (within 15 miles; delivery is available for longer distances at cost), and a tasting consultation (charged at £20, which is taken off the balance when you book your cake) where you can choose up to 4 flavours of cake to sample, and spend time tailoring your cake to your exact requirements with me.

Macaron wedding towers

These are a beautiful, unusual and delicious centrepiece that guests will love to come together around and choose their macarons. They are also naturally gluten free! Prices are from £210 for a tower of 70 macarons minimum, to include delivery within 15 miles, set up and dressing of the tower with flowers, and stand hire for 3 days from the day of your wedding.
